Dear Brothers and Sisters,

As one family under God, our desire has always been to comfort God's heart and to guide all mankind to be engrafted into God's lineage. Our Heavenly Parent is longing to dwell with us!

True Parents are preparing for the dedication ceremony of the Cheon Won Gung, which is the fulfillment of the building of the 3rd temple of Israel, the place where Heavenly Parent will dwell and where we can meet our Heavenly Parent.

As we prepare for this most sacred place to be opened and a new era to begin, we are all invited to participate in a 40-day period of repentance and renewal, with a Holy Wine ceremony, which can forgive all our past mistakes and sins, so that we may stand pure as snow before Heaven.

We have all hurt our Heavenly Parent and fallen short in our life of attendance. Maybe other sins burden our hearts. Our True Mother would really like to embrace and forgive us all through this 40-day period, so that we may be liberated and begin anew.

We invite everyone, including children, to join in a 40-day period of Devotion from March 26- May 4 and to receive the CheonBo Holy Wine Ceremony (Special Grace).

For those who are 16 and older and would like to join us, please:

1. Offer JeongSeong conditions of bowing and Hoon Dok Hwe (the time and amount can be according to what you feel in your heart that you would like to offer, you may also choose the readings)
2. Write a statement of repentance and resolve to make a new start (please bring it to the Holy Wine Ceremony in a sealed envelope)
3. Offer a gratitude donation, based on the number 13 (donation can be made at the local church or [online](#))
4. Receive the Holy Wine at your church (Each subregion will inform you of the dates)
5. Join True Mother's benediction prayer on May 6 (USA)/May 7 (Korea) via livestream

“This is the covenant I will make with them after that time, says the Lord. I will put my laws in their hearts, and I will write them on their minds.” Then He adds: “Their sins and lawless acts I will remember no more” (Hebrews 10:16-17)

Please spend a few minutes to open the attached slides, to read more about what this means for our Heavenly Parent and share them with others.

Let's have a meaningful season of grace and let's come together to support True Mother in this monumental offering of the Cheon Won Gung.

May God Bless you!

Sincerely,

Andrea Kuhn,
