Rockland Cemetery

This 156-acre gem, established in 1847, is only about 30% 'developed'. The cemetery was created by Eleazar Lord in 1847. Mr. Lord was an author, educator, and the first President of the Erie Railroad. Dr. Lord envisioned a cemetery that would become a prominent resting place for the deceased of the New York City area. To that end he brought his railroad, and passengers with it, to the little town of Piermont.

Rockland Cemetery is non-profit and non-sectarian. What is more, the amenities of the eternal repose are moderately priced at Rockland Cemetery. Lot prices are set by a board of Trustees. Charges for actual internments are fixed by the New York State Cemetery Board.
